On April 16, 2013, Northland Power Inc. on behalf of its four wholly owned limited partnerships filed a notice of proposal under section 81 of the *Ontario Energy Board Act, 1998* in connection with the applicants' intention to construct transmission facilities in the vicinity of the Town of Cochrane, Ontario to connect four ground mount solar generation facilities to the IESO-controlled grid.

This letter is to inform you that the Board **does not** intend to issue a notice of review of the proposal.

Yours truly,
